

THE AIR QUALITY ADVISORY FOR ST. MAARTEN IS CANCELLED

Urgency: Past

Severity: Minor

Certainty: Observed

Issued:

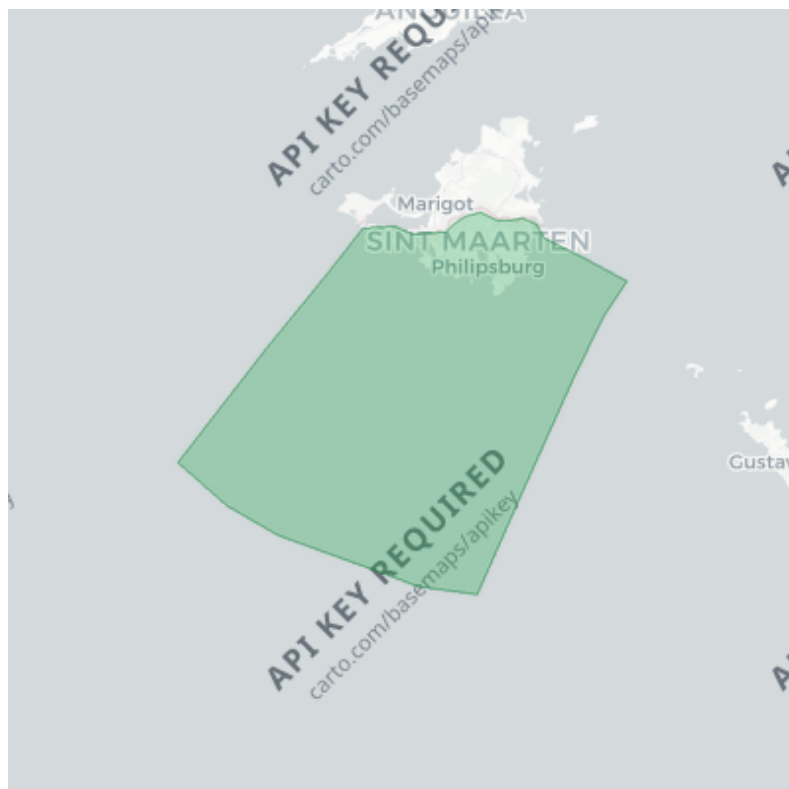

Sat 12 Sep 2026
18:35

Effective:

Sat 12 Sep 2026
18:00

Expires:

Sun 13 Sep 2026
06:00

Area:

St Maarten and Territorial Waters

Description:

The Air Quality Advisory for St. Maarten is hereby cancelled, as air quality conditions are expected to remain at moderate levels overnight and improve to good levels tomorrow. No further deterioration in air quality is anticipated at this time.

Instruction:

Resume normal outdoor activities as conditions permit. Sensitive individuals should continue to exercise caution until air quality improves to good levels. Monitor official updates from the Meteorological Department St. Maarten at www.meteosxm.com.
